"Come Closer To Me"

Come closer to me so I can see
Heaven in your eyes
Come closer to me so I can be
Close to paradise
Thrill me with your kisses
Let me learn what bliss is
Kiss me once and then
We'll kiss and kiss again
And life will be divine

Come closer my dear
So I can hear
Music in my heart
I've waited so long to hear
The song that your love will start
Darling I adore you
Live my life just for you
All I ask is this
Please give me one more kiss
And whisper "you'll be mine"

Darling I adore you
Live my life just for you
All I ask is this
Please give me one more kiss
And whisper "you'll be mine"
