I gotta right to sing the blues  
I gotta right to feel low down  
I gotta right to hang around  
Down around the river

A certain man in this old town  
Keeps draggin' my poor heart around  
All I see for me is misery

I gotta right to sing the blues  
I gotta right to moan and sigh  
I gotta right to sit and cry  
Down around the river

I know the deep blue sea  
Will soon be callin' me  
It must be love, say what you choose  
I gotta right to sing the blues

I know the deep blue sea  
Will soon be callin' me  
It must be love, say what you choose  
I gotta right to sing the blues
