The leaves of brown  
Came tumblin' down, remember  
In September, in the rain

The sun went out  
Just like a dying ember  
That September in the rain

To every word of love  
I heard you whisper  
The raindrops seemed to play  
A sweet refrain

Though spring is here  
To me it's still September  
Ooh, that September in the rain

To every word of love  
I heard you whisper  
The raindrops seemed to play  
A sweet refrain

Though spring is here  
To me it's still September  
That September in the rain  
I said, that September in the rain
