Love is like a never ending melody,
Poets have compared it to a symphony,
A symphony conducted by the lighting of the moon,
But our song of love is slightly out of tune

Once your kisses raised me to a fever pitch,
Now the orchestration doesn't seem so rich,
Seems to me you've changed the tune we used to
sing,
Like the bossa nova love should swing

We used to harmonize two souls in perfect time,
Now the song is different and the words don't even
rhyme,
'Cause you forgot the melody our hearts would
always croon,

What good's a heart that's slightly out of tune?

Tune your heart with mine the way it used to be,
Join with me in harmony and sing a song of love,
We're bound to get in tune again before too long,
There'll be no Desafinado when your heart belongs to
me completely
Then you won't be slightly out of tune, you'll sing
along with me!
