Yours till the stars lose their glory  
Yours till the birds fail to sing  
Yours to the end of life's story  
This pledge to you dear  
I bring

Yours in the grey of December  
Here on unfar distant shores  
I've never loved anyone  
The way I love you  
How could I  
When I was born to be  
Just yours

(Yours in the grey of December)  
(Here on unfar distant shores)  
I've never loved anyone  
The way I love you  
How could I  
When I was born to be  
Just yours

(Yours till the stars lose their glory)
