Matchbooks and movie stubs
Cards and faded flowers in a box of love
My favorite photograph
Oh, I used to tear it up just to tape it right back

All these souvenirs of me and you
Make me wonder what you held onto

Do you think about me?
Do you think about me?
Do I ever go walkin' through your memory?
Do you think about?
Do you think about me?

Warm nights and country drives
Do you ever stop and think about the first time?
I guess, somehow we both outgrew
That innocent love we fell into

Every now and then the clock unwinds
And you go drifting across my mind

Do you think about me?
Do you think about me?
Do I ever go walkin' through your memory?
Do you think about?
Do you think about me?

Do you ever smile
And think about what used to be?

Do you think about?
Do you think about me?
Do you think about me?
Do you think about me?
Do I ever go walkin' through your memory?
Do you think about?
Do you think about me?

Do you think about?
Do you think about me?
Do you think about me?

Do you think about me?
