Iâ€™ll admit it got to me
Hearing your voice on my machine
It took all I had to just let you talk
And not pick up where we left off
Every night since your goodbye
I hit my knees and closed my eyes
And I pray that youâ€™d come back
Too many tears washed out that bridge
You wanna cross, but baby, itâ€™s too late for that
Last night wouldâ€™ve been a different story
But the morning sun mustâ€™ve done something for me
â€™Cause I bet Iâ€™d gone the other way
If youâ€™d called yesterday
If youâ€™d called yesterday
This victory runs bitter sweet
Through the heart and soul of me
But I sip my coffee and watch the sun rise

Makinâ€™ its way to a bluer sky
Every night since your goodbye
I hit my knees and closed my eyes
And I pray that youâ€™d come back
Too many tears washed out that bridge
You wanna cross, but baby, itâ€™s too late for that
Last night wouldâ€™ve been a different story
But the morning sun mustâ€™ve done something for me
â€™Cause I bet Iâ€™d gone the other way
If youâ€™d called yesterday
Last night wouldâ€™ve been a different story
But the morning sun mustâ€™ve done something for me
â€™Cause I bet Iâ€™d gone the other way
If youâ€™d called yesterday
If youâ€™d called yesterday
If youâ€™d called yesterday
