I'll admit it got to me  
Hearing your voice on my machine  
It took all I had to just let you talk  
And not pick up where we left off  
Every night since your goodbye  
I hit my knees and closed my eyes  
And I pray that you'd come back  
Too many tears washed out that bridge  
You wanna cross, but baby, it's too late for that  
Last night would've been a different story  
But the morning sun must've done something for me  
'Cause I bet I'd gone the other way  
If you'd called yesterday  
If you'd called yesterday  
This victory runs bitter sweet  
Through the heart and soul of me  
But I sip my coffee and watch the sun rise  
Makin' its way to a bluer sky  
Every night since your goodbye

I hit my knees and closed my eyes  
And I pray that you'd come back  
Too many tears washed out that bridge  
You wanna cross, but baby, it's too late for that  
Last night would've been a different story  
But the morning sun must've done something for me  
'Cause I bet I'd gone the other way  
If you'd called yesterday  
Last night would've been a different story  
But the morning sun must've done something for me  
'Cause I bet I'd gone the other way  
If you'd called yesterday  
If you'd called yesterday  
If you'd called yesterday
