Mama said "don't go near that river wearin' that  
Sunday dress"  
"I spent a lot of money on the pretty little thing so you  
better not get it wet"  
But I couldn't help but, but wanna jump right in when I  
felt that summer sun beat down  
I did what she said, I didn't get it wet  
I left it on the muddy ground

(Chorus)  
Mama said don't  
I swore that I won't  
But every time mama said don't  
I did

Mama said "don't you waste your time girl chasing a  
boy like that"  
"If he's the kind of trouble that his daddy was"  
"He'll break your heart in no time flat"  
"And don't you fall for that up to something, crooked  
good for nothin' grin"  
But when he pulled up in his red S-10 I couldn't help but  
jump right in

(Repeat Chorus)

Every time I try to prove her wrong, she always ends up  
right  
But it just wouldn't be like me  
If I didn't put up a fight

Mama said don't (4x)

(Repeat Chorus)

Yeah every time mama said don't  
Every time mama said don't  
I did

Mama said "don't go near that river wearing that  
Sunday dress"

But I did  
Mama said "don't waste your time girl chasing a boy  
like that"  
But I did  
Yeah I did
