(chorus)

I feel the earth move  
under my feet  
I feel the sky tumbling down  
a tumblin' down  
I feel my heart start to trembling  
whenever your around  
I just loose control down  
to my very soul

Ooh baby when I see your face  
mellow as the month of May  
Oh darling I can't stand it  
when you look at me that way

I feel the earth move  
under my feet  
I feel the sky tumbling down

Ooh I feel my heart start to  
tremblin' when your around

Oh darling when your near me  
and tenderly call my name  
I know that my emotions are  
something I just can't tame  
I've just got to have you baby

(chorus)

I feel the earth move  
under my feet  
I feel the sky tumbling down  
a tumblin' down  
a tumblin' down
