"Stay Monkey"

Your love, you know it tastes
As sweet as cold coconut ice cream
Not knowing makes me happy
I just wanna wait and see

Everyday is inhibition
The television's calling your name
Don't do it, I don't want you to
Come on, let's not go away

I want, I want, I want
I want you to stay
Monkey with me
Stay monkey with me

It's the movie that never gets filmed
It's the story we won't tell
It's the dolphins speaking our language
Come on, baby, come on, baby, don't say why

I want, I want, I want
You to stay monkey with me
Stay monkey with me

Afraid is much better than a fake forever
