I can see them roam  
The water streaks out my telephone  
And the signs on the side of the road  
Show a way that I don't know  
So far away from home  
Pray for peace and no running nose  
As the drones start losing control  
We let it (?) and just don't know

You can try to lie, but I told you I just don't care  
But go on and lie and the lie's gonna hold you there

We're on fire  
Burning a hole  
Flashpoint riot  
Taking hold  
We're on fire  
Burning a hole  
Flashpoint riot  
Taking  
Control

Flashpoint riot  
Flashpoint riot

We fit the broken mold  
In times of war, it can never hold  
And the lines in the middle of a road  
Are fading now, as light/life takes hold

You can try to lie, but I told you I just don't care  
But go on and lie and the lie's gonna hold you there

I, I can't find you, you  
You, you  
You, you  
I, I can't find you, you  
You, you  
You, you, you,

We're on fire

Burning a hole  
Flashpoint riot  
Taking hold  
We're on fire  
Burning a hole  
Flashpoint riot  
Taking  
Control

Flashpoint riot  
Flashpoint riot  
Flashpoint riot  
Flashpoint riot  
(You, you, you)
