It's funny how it all comes around,
It follows you.
Hit's you when you try to stand your ground,
They walk on through.

Look at you;
Feeling used;
Sick and blue;
See right through.

Funny how it never goes away
It follows you;
Hollows you;
Where do I go now?
We're all the same

The places I go through;
The people the games;
They followed you;
Breaking through.

Look at you,
Feeling used,
Sick and blue,
See right through;

Look at you (Look at you);
Feeling used (Feeling used);
Something new;
Is it true? (Is it true?)

Look at you;
Feeling used;
Sick and blue;
See right through.

Look at you (Look at you);
Feeling used (Feeling used);
Something new;
Is it true? (Is it true?)

Look at you (Look at you);
Feeling used (Feeling used);
Sick and blue;
See right through (See right through)

Look at you;
Feeling used;
Something new;
Is it true?
