Take what you want

I'll cut the strings

The light inside is fading

Take it from me

I know who you are

The maestro of blame

Everything starts changing

Then just go AWAY!

Take what you want

I'll cut the strings

The light inside is fading

Take it from me

I know who you are

The maestro of blame

Everything starts changing

Then just go AWAY!

Take what you want

I'll cut the strings

The light inside is fading

Take it from me

I know who you are

The maestro of blame

Everything starts changing

Then just go AWAY!

AWAY! (AWAY)

AWAY! (AWAY)

AWAY! (AWAY)

Then just go away!

Then just go away!
