Repeat and rewind
I'm not going there this time

if I could make a plan
I wouldn't go there again

hold it up
let it out
life won't ever stop it's tide

give it up
fight it out
leave the white flag behind

Ride the pain into the pleasure
Don't stop now with the pressure
Can't explain with an answer
Ride the pain into the pleasure
catch me if you can
chase me if you'd like
I don't know about you
but I'm a do or die

I haven't seen or heard enough until I've looked under
every rock
I haven't seen or heard enough until I've looked under
every rock

Ride the pain...

into the pleasure- you'll find your answer
