

Juliet "Waiting"

Visit "[Waiting](#)" on MotoLyrics.com

Make a wish
say a prayer
maybe both
would be fitting here

take away
what remains
what reminds

just suppose
it was clear
who we are
what we're doing here

take away
what is want
what is need

..while you hesitate
hearts like mine will wait
in two

find a place
find a home

face to face
why am I afraid
in this space
not to know
this unknown

what is honest?
is it greater than this promise

what is obvious?
is it greater than this silence

...while you hesitate
hearts like mine
will break

while you hesitate

hearts like mine
will break
in two
