Here we are  
On different sides  
Of the fence  
These angry words  
Just don't make any sense  
It doesn't really matter  
Who's right or wrong  
I'd rather hold you  
Than argue all night long  
I'm gonna walk  
Out that door  
And walk right back in  
Straight to your arms  
Start all over again  
'Cause you and I know  
Our love's bigger than this  
Let's talk about it  
After a kiss

Funny how it seems  
We hurt the ones  
We love  
Tell me now  
That you agree  
We've said enough  
Baby, we were laughing  
An hour ago  
Can we back up and  
Make up and let it go?

I'm gonna walk  
Out that door  
And walk right back in  
Straight to your arms  
Start all over again  
'Cause you and I know  
Our love's bigger than this  
Let's talk about it  
After a kiss

It doesn't take much

To turn this around  
If we both know  
Our hearts are in it  
Baby, your touch has  
Never let me down  
So wait right here  
Just a minute

I'm gonna walk  
Out that door  
And walk right back in  
Straight to your arms  
Start all over again  
'Cause you and I know  
Our love's bigger than this  
Let's talk about it  
After a kiss
