All You Need To Know
(CDJ/Matraca Berg)

I'd like to sleep in on Saturdays
But I hate to miss the good yard sales
In my dreams I pay a buck for matching lawn chairs
I don't like people who are rude to waitresses
I like to leave a big tip 'cause God knows I've been
there

I ain't no angel baby, far from it!
But I never broke a heart, just for the fun of it
That's all you need to know
A little mystery is not so bad
What you don't know won't hurt you, I can promise that
That's all you need to know right now

I used to cruise down on main street
I wished I had my own boyfriend
I like to watch your hands while you're driving
I like the way you smile when no one's watching
I have to catch myself here I go flying

There's so much more—and it's all worth waiting
for!
