My hopes are high
My guard is down
I'm in a place I never dreamed
I've heard it happens everyday
Well it's my turn
Dare I say
Oh look at me

I have never been so taken in
This is a fight I cannot win
I'm yours
Take me as I am
And I never thought I'd get caught up in a feeling
My heart can't ignore
This is what I've been waiting for
Baby I'm yours

I laid my heart out on the line
Now I know it was worth the risk
Cause when I see you smile I just fall
Oh I surrender all
I just can't resist

I have never been so taken
This is a fight I cannot win
I'm yours
Take me as I am
And I never thought I'd get caught up in a feeling
My heart can't ignore
This is what I've been waiting for
Oh baby I'm yours

I had to let my heart go
Do to circumstances beyond my control

I have never been so taken
This is a fight I cannot win
I'm yours
Take me as I am
And I never thought I'd get caught up in a feeling
My heart can't ignore

This is what I've been waiting for
Oh baby I'm yours
