I have wondered this world
Far and wide
I've been all around
and to the other side
But there's nothing like coming home,
Nothing like comign home.

I wanna sit on my front porch
And drink my lemonade
Cut my grass after church
every Sunday
Go out Saturday night
and live a simple life
Wake up in the mornig to these fields of gold
Take a long walk down a gravel road

Chorus
Spend my days in the sweet sunshine
Rock in my swing and
watch my garden grow
Know that I'll always have someone to hold
Oh I wanna live a simple life,
Ya

I wanna take a blanket
down to the creek
And let the water sing me to sleep
Let go of time
Live the simple life
Well lately I've seen too many city lights
I wanna go somewhere
where I can see the stars at night

Chorus

Spend my days in the sweet sunshine
Rock in my swing and watch my babies grow
Know that I'll always have some, someone to hold

Chorus
