Dun Dun Dun Dun Dun Dun

I have wandered this world far and wide
I've been all around to the other side
But there's nothin' like comin' home
Nothin' like comin' home
I wanna sit on my front porch and drink my lemonade
Cut my grass after church every Sunday
And go out Saturday night
Live the simple life
Wake up in the morning to these fields of gold
And take a long walk down a gravel road

Spend my days in the sweet sunshine
Rock in my swing and watch my garden grow
Know that I'll always have someone to hold
Oh I-I-I wanna live the simple life Yeah

Dun Dun Dun Dun Dun Dun

I wanna take a blanket down to the creek
And let the water sing me to sleep
Let go of time
Live the simple life ... oh yeah
Lately I've seen too many city lights
I wanna go somewhere where I can see the stars at
night

Spend my days in the sweet sunshine
Rock in my swing and watch my garden grow
Know that I'll always have someone to hold
Oh I-I-I wanna live the simple life Yeah ee Yeah

Yeah Yeah

Spend my days in the sweet sunshine
Rock in my swing and watch my babies grow
Know that I'll always have some someone to hold

Oh!

Spend my days in the sweet sunshine
Rock in my swing and watch my garden grow
Know that I'll always have someone to hold
Oh I-I-I wanna live the simple life
Oh I-I-I wanna live the simple life Yeah

Dun Dun Dun Dun Dun Dun
