Taking Back My Brave
(CDJ/Sunny Russ)

I am from a tiny town
Where I learned how to tough it out
Where I kicked the dirt and my dreams around
To conquer the whole world
My uncle slipped me fifty bucks
Some rolled there eyes and wished me luck
Yeah I spent the first night in the cab of my truck
And I am still that girl

I like a challenge, I like to fly
I'm not always perfect, I'm not always right
When I go to weddings
It always makes me cry
My heart is fragile, and I can be hurt
I can crumble inside at the drop of a word
But I can jump off a limb
Into a river of change
I'm taking back my brave

I kinda lost it for awhile
Had to force myself to smile
I quit going that extra mile
Abandoned my belief
And I spent hours on the phone
Crawling back to my comfort zone

Then I woke up one day and said I'm not running home
It's just not like me causeâ€¦!

I like a challenge, I like to fly
I'm not always perfect, I'm not always right
Newborn babies always make me cry
My heart is fragile, and I can be hurt
I can crumble inside at the drop of a word
But I can jump off a limb
Into a river of change
I'm taking back my brave

I'm my momma's only girl
The child in the middle
I've been pushing the limits
Since I was littleâ€¦..yeah
