Chorus

So many living for the love of power
Wanting more until their final hour
The day has come for us to be part of
The ones who find a ruler in the power of love
Oh lei de lei de lei de lei the power of love
Rich man - your pockets are full
Money - it burns a hole in your soul
Poor man - with the hungry heart
You can be the place where the changes start

Repeat Chorus

Nations - your raging must cease
Listen - The Prince of Peace
Is calling those with hearts to hear
To rise up in His name where there once was fear

Repeat Chorus
