I know your watching when you see me walking down
the hall

(Down, uh oh)

Don't get to close cuz baby boy I'll make you fall

(Make, uh oh)

The bell rings at a quarter to four,

And everybody comes back for more,

I know I'm driving you totally insane,

But boys you gotta hear what I'm saying

You can look, but don't touch

You can look, but don't touch

You know you're asking, for too much

So you can look, but boy you can't touch (uh, uh)

I see you staring as I'm rolling up and down the block

(Down, uh oh)

Your jaw dropping in the floor cuz baby you're in shock

(You're, uh oh)

I don't mind if you think I'm cute,

But don't your momma teach you not to be rude

I don't know exactly what you expect,

If you not giving up no respect

You can look, but don't touch

You can look, but don't touch

You know you're asking, for too much

So you can look, but don't touch

I hear you talking when I'm walking down the hallway,

Just keep your comments to yourself, and we'll be okay,

I'm not the kind of girl that needs your attention,

Cuz certain things are better off not mentioned.

Do, do, do, do

Do, do, do, do

Do, do, do, do

Do, do, do, do

Do, do, do, do

Do, do, do, do

Do, do, do, do

Do, do, do, do

Uh, uh, uh, uh, but don't touch
Uh, uh
Look, uh, uh, uh, uh, uh, uh, uh, uh
But don't touch

You can look, but don't touch
You can look, but don't touch
You know you're asking, for too much
So you can look, but boy you can't touch

You can look, but don't touch
You can look, but don't touch
You know you're asking, for too much
So you can look, Oh baby yeah
But boy you can't touch
