Iâ€™m coming in hot

And those eyes keep looking at me

Ooh and why not?

Keep looking, looking

Iâ€™m kind of over the top

And I like, like your chemistry, yeah

Letâ€™s mix it up, and all you eyes

Watch!

I'm gonna make a million, billion, trillion, gazillion

Million, billion, trillion, gazillion

Trili - Trili

Milli â€“ Milli â€“ Milli

Iâ€™m done

Cuz I'm a Wild Child, sitting on my throne

Going all out, going for broke

Wild Child, Geronimo

Knocking 'em out, blow for blow

Let 'em say, let 'em say

Iâ€™m a Wild Child

Iâ€™m Wild

Ooh take your cheap shots

Itâ€™s all you got, put your money where your mouth is

Youâ€™re just talk

So keep it coming, coming

Ooh like it or not

Straight up, Iâ€™m a lot to handle

I do what I want, I ainâ€™t shy

Watch!

I'm gonna make a million, billion, trillion, gazillion

Million, billion, trillion, gazillion

Trili - Trili

Milli â€“ Milli â€“ Milli

Iâ€™m done

Cuz Iâ€™m a Wild Child, sitting on my throne

Going all out, going for broke

Wild Child, Geronimo

Knocking 'em out, blow for blow

Let 'em say, let 'em say

Iâ€™m a Wild Child

Iâ€™m Wild

Yeah Iâ€™m living it up, living it up, Whoah

Nothing's gonna keep me down, Oh

Iâ€™m living it up, living it up, Whoah

Nothing's gonna stop me now, Ooh

Iâ€™m a Wild Child, sitting on my throne

Going all out, going for broke

Iâ€™m a Wild Child, Geronimo

Knocking 'em out, Ow!

Wild Child, 'n' everyone can tell

Going all out, going for broke

Wild Child, Geronimo

Knocking 'em out, blow for blow

Let 'em say, let 'em say

I'm a Wild Child

I'm Wild, Yeah
