What would you do if I sang out of tune  
Would you stand up and walk out on me  
Lend me your ears and I'll sing you a song  
I'll try not to sing out of key

Oh, I'll get by with a little help from my friends  
Yes, I'll get high with a little help from my friends  
I'm gonna try with a little help from my friends

What do I do when my love - she's away  
(Does it worry you to be alone)  
How do I feel by the end of the day  
(Are you sad because you're on your own

Oh, I'll get by with a little help from my friends  
Yes, I'll get high with a little help from my friends  
I'm gonna try with a little help from my friends

Baby I don't know  
Baby I don't know

Oh, I'll get by with a little help from my friends  
Yes, I'll get high with a little help from my friends  
I'm gonna try with a little help from my friends

Do you need anybody  
I just need somebody to love  
Could it be anybody  
I want somebody to love

Could you believe in the love at first sight  
Yes, I'm certain it happens all the time  
What do you see when you turn off the light  
I can't tell you but I'm sure I feel nice

Oh, I'll get by with a little help from my friends  
Yes, I'll get high with a little help from my friends  
I'm gonna try with a little help from my friends

Do you need anybody  
I just need somebody to love  
Could it be anybody

Baby I don't know  
Baby I don't know

Oh, I'll get by with a little help from my friends  
Yes, I'll get high with a little help from my friends  
I'm gonna try with a little help from my friends
