Reality, infinity
All the pieces here
Athletic shoes, Chocolate mousse
Cellular phone in his room
You will see one day, IÂ'm here to stay
Hold your hand to me
WeÂ'll find a way

Lightning streaks, teary bliss
Slicking on the grease
With company you will see
What this all is meant to be
You will see one day, IÂ'm here to stay
Hold your hand to me
WeÂ'll find a way

(chorus)

Close your eyes, snip your lashes
They fall within the ashes
The frosty old feeling, will melt oh so painlessly
Close your eyes, kill the darkness
The shears are in the closet
The muses they pray loud

For your listless journey to me

Innocence, garlands burn
All the memories
Transparencies, you will see
What this is meant to be
You will see one day
IÂ'm here to stay, hold your hand to me
WeÂ'll find a way

Close your eyes, snip your lashes
They fall within the ashes
The frosty old feeling, will melt oh so painlessly
Close your eyes, kill the darkness
The shears are in the closet
The muses they pray loud
For your listless journey to me

Reality, infinity
All the pieces here
Athletic shoes, chocolate mousse
Cellular phone in his room
