We're in, we're in
We're in, we're in
We're in, we're in
Skyscraper

We're in, we're in
We're in, we're in
We're in, we're in
Skyscraper

We're in, we're in
We're in, we're in
We're in, we're in
Skyscra-

I dreamt we walked for miles
Through brush and branches' wild wind
I found a ladder reaching high
I climbed, but you kept on and kissed the tide

The sky kept purring higher
The current pulled you out
And from the top I looked around
From a thousand feet above the ground

They came from somewhere else
These creatures moving in
You couldn't see what I had found
I screamed but I could not produce a sound

We're in, we're in
We're in, we're in
We're in, we're in
Skyscraper

We're in, we're in
We're in, we're in
We're in, we're in
Skyscraper

We're in, we're in

We're in, we're in
We're in, we're in
Skyscraper
