A little piece of you  
The little peace in me  
Will die  
For this is not america

Blossom falls to bloom  
This season  
Promise not to stare  
Too long  
For this is not a miracle

There was a time  
A storm that blew so pure  
For this could be the biggest sky  
And I could have  
The faintest idea

Snowman melting  
From the inside  
Falcon spirals

To the ground  
So bloody red  
Tomorrows clouds

A little piece of you  
The little piece in me  
Will die  
For this is not america

There was a time  
A wind that blew so young  
For this could be the biggest sky  
And I could have the faintest idea

This could be the biggest sky  
This could be a miracle  
This could be etc
