The sound of your jokes aren't really funny hunny
Something about that always makes me smile
I surprise crunchy
But baby you always eat it up like it's going out of style

And I don't careâ€¦.welcome mat

A big house on a hill or a little shack
As long as you're loving me
And I don't care if my pockets aren't full of cash
Cause I can always find a way to have a good laugh
As long as you're loving me
Yeah
As long as you're loving me

Sometimes I wake up a little bit on the wrong side
But you know that all I need is my morning cup
Sure enough
Maybe you're stubborn a little on the strong side
But you always know just when it's time to start backin'
up
And I don't care anymore if I slip and fall
Cause baby I'll bounce back like a rubber back
As long as you're loving me
And I don't worry no more about fittin' in
Cause I could be a Permanent best friend
As long as you're loving me
Yeah
As long as you're loving me
Yeah
Yeah

Whatever we do
Whatever we've done
Wherever we go
Whatever may come

We've got it all
Under the sun
As long as you're loving me

And I don't care about the sand in the hour glass
Slip slippin away so fastâ€¦â€¦â€¦
As long as you're loving me
Yeah
As long as you're loving me
