The hopeful; the possibilities have come an' gone  
away.  
We've both run out of reasons to stay.  
Who we are and who we thought we were has somehow  
changed.  
We kept tryin' anyway.

It's just not gonna work; it's just not gonna fly.  
We've been frozen on the edge starin' at goodbye.  
We've both reached for the stars;  
Shared the victories, shared the scars;  
Made each other's dreams come true.  
I never thought I'd do my dreamin' without you.

Oh, you'll go one way an' I'll go mine an' take some  
awkward steps.  
Almost free except for these regrets; oh yeah.  
An' movin' on's the only thing that we have left to do.  
No-one can say we didn't see this through.

But it's just not gonna work; it's just not gonna fly.  
We've been frozen on the edge starin' at goodbye.  
We've both reached for the stars;  
Shared the victories, shared the scars;  
Made each other's dreams come true.  
I never thought I'd do my dreamin' without you.  
No.

I'm gonna miss you.  
I'm gonna miss you.

We've both reached for the stars;  
Shared the victories, shared the scars;  
Made each other's dreams come true.  
I never thought I'd do, oh, my dreamin' without you.  
Mmmm
