Here we go

I've fallen, yeah I've fallen before  
I thought I knew exactly what was in store  
When I met him got more than I bargained for  
And I'm not overstating, over exaggerating  
Horsing around or playing  
When I'm saying I've

I've gone off the deepest end  
Not jumping, diving in  
He's a perfect ten times ten, times ten  
And I'm head over heels  
No, head over high heels  
High heels

I'm dreaming in colors I've never seen  
My heart is bursting wide at the seams  
I've taken my smiling to the extremes  
And all my friends are wondering  
They think I'm up to something  
I say, "Oh it's nothing  
I'm just in love" and

I've gone off the deepest end  
Not jumping, diving in  
He's a perfect ten times ten, times ten  
And I'm head over heels  
No, head over high heels

I'm not happy  
I'm ecstatic  
I'm not a lunatic, just a fanatic  
You might think I'm over dramatic  
Not me

Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah

Gone off the deepest end  
Not jumping, diving in  
He's a perfect ten times ten, times ten

Head over heels  
No, head over high heels

Gone off the deepest end  
Not jumping, diving in  
Yeah, yeah, yeah  
He's a perfect ten times ten, times ten  
Head over heels  
No, head over high heels

Head over high heels  
Head over high heels  
That's right  
I'm so far gone
