My hopes are high  
My guard is down  
I'm in a place I never dreamed  
I've heard it happens everyday  
Well it's my turn  
Dare I say  
Oh look at me

I have never been so taken in  
This is a fight I cannot win  
I'm yours  
Take me as I am  
And I never thought I'd get caught up in a feeling  
My heart can't ignore  
This is what I've been waiting for  
Baby I'm yours

I laid my heart out on the line  
Now I know it was worth the risk  
Cause when I see you smile I just fall  
Oh I surrender all  
I just can't resist

I have never been so taken  
This is a fight I cannot win  
I'm yours  
Take me as I am  
And I never thought I'd get caught up in a feeling  
My heart can't ignore  
This is what I've been waiting for  
Oh baby I'm yours

I had to let my heart go  
Do to circumstances beyond my control

I have never been so taken  
This is a fight I cannot win  
I'm yours  
Take me as I am  
And I never thought I'd get caught up in a feeling  
My heart can't ignore  
This is what I've been waiting for

Oh baby I'm yours
