Into You  
(CDJ/Mary Danna/Shaye Smith)

If he doesn't call when he says he'll call  
Or if he doesn't even call at all  
Well he just might not be that into you

If he's too busy to see you on the weekends  
And he doesn't introduce you to his friends  
Well he just might not be that into you

Cause if he was  
He'd be hangin' on your every word  
He'd put away his little black book and put you first  
He'd be doing double back flips to make it  
work out

If he's a month late for your birthday  
Or if he calls you by another girl's name  
Well he just might not be that into you

Repeat Chorus

If he says he's not the marrying type  
And he only calls you in the middle of the night  
Well he just might not be that into you

Yeah, yeah  
I got your back, yeah  
You gotta listen, girl  
If you're not the centre of his world  
He's not that into you, yeah

Repeat Chorus

If he says she's just a friend, like a sister  
Then one day you see him up and kiss her  
Well he just might not be that into you  
Yeah you just might wanna find somebody new  
Yeah that's what I would do  
Girl if I were you

Yeah, yeah, find somebody new  
Yeah he's not that into you  
Yeah, yeah, girl find somebody new  
You know you're gonna find someone out there who  
loves everything about you  
It's so great  
Just hold out  
It's worth it
