Pulled in the drive thinking, "This is just the end of
another day"
My mistake
Suitcase in your hand, guess you thought that your
goodbye could wait
Baby, that's okay
Don't think I didn't see this coming from a mile away

Chorus:

So go on and move off if that's how it's gotta be
Cuz I'm gonna hunt you like a bad, bad dream
My memory's like a shadow, it won't leave your side
You ain't losing me
So baby there's no need
To say goodbye

Greyhound has a special offer, ninety-nine dollars
anywhere
You can go there
But no matter where it takes you, there'll be something
familiar in the air
So you'd better beware
It'll drive you to your knees
Baby, you won't have a prayer

(Repeat Chorus 2x)
