Brood, gowns and tributaries  
Wild mountains, distant prairies  
What kept me burning  
Now I've passed it off a sea ferry  
These backgrounds know no glory  
With humble arms they hold me  
From someplace else I see the moon  
And now I can't see clearly  
I am overcome

Our distance, grows and widens  
But my heart's a flood that rises  
Spins in my restless eyes  
I feel you most when we're divided  
Lay down a song for me and  
Know that I'm not lonely 'cause  
We're gonna ramble 'round  
Then break the back of this old country  
I am overcome

I am overcome

Our distance, grows and widens  
But my heart's a flood that rises  
Spins in my restless eyes  
I feel you most when we're divided  
Lay down a song for me and  
Know that I'm not lonely 'cause  
We're gonna ramble 'round  
Then break the back of this old country  
I am overcome
