There's a cold wind blowing through my head
I could not believe the things you said
You left me all alone crying and walked away
I could not escape the fate of the killing floor

So heavy, heavy, heavy
So heavy, heavy, heavy
It's heavy, heavy, heavy
Heavy, heavy, heavy
Heavy, heavy, heavy
Heavy, heavy, heavy
Heavy, heavy, heavy
Heavy, heavy, heavy

Surrender all your dreams and madness and come
sing

Wherever you are, wherever you are, you're a ghost to
me now
You'll never knock again
When all I ever wanted was to call you my friend

Heavy, heavy, heavy
So heavy, heavy, heavy
So heavy, heavy, heavy
Heavy, heavy, heavy
Heavy, heavy, heavy
Heavy, heavy, heavy
So heavy, heavy, heavy
