Everybody  
Come on dance and sing along  
Everybody feeling right  
Never going home tonight.

Feel the rhythm under your feet  
Moving on with every beat  
Everybody's dancing out in the street  
Forever.

Keep on moving, painting the town  
'Cause tonight you can't slow down  
Come along and keep on singing our song  
Together.

Everybody  
Come on dance and sing along  
Everybody feeling right  
Never going home tonight.

Everybody  
Come along and sing our song  
Party 'til the morning light  
Never going home tonight.
