Ever and ever, forever and ever
You'll be the one
That shines on me
Like the morning sun

Ever and ever, forever and ever
You'll be my spring
My rainbow's end
And the song I sing

Take me from beyond imagination
Be all my dream.
Come true my consolation

Ever and ever, forever and ever
You'll be my dream
My symphony
My one lovers' theme

Ever and ever, forever and ever

My destiny
Will follow you
Eternally

Take me from beyond imagination
Be all my dream.
Come true my consolation.

Ever and ever, forever and ever
You'll be the one
That shines on me
Like the morning sun

Ever and ever, forever and ever
My destiny
Will follow you
Eternally
