Quiereme mucho, dulce amor mio
que amante siempre te adorar
Yo con tus besos y tus caricias
mis sufrimientos acallar
Yours till the stars lose their glory
Yours till the bells fail to sing
Yours till the end of life's story
My love to you dear, I'll bring
Yours in the grey of December
Here, and on far distant shores
I'll never love any one the way I love you
You're my one, for I was born to be just yours.
Yours till the stars lose their glory
Yours till the bells fail to sing
Yours till the end of life's story
My love to you dear, I'll bring
Yours in the grey of December
Here, and on far distant shores
I'll never love any one the way I love you
You're my one, for I was born to be just yours.
Yours till the stars lose their glory
Yours till the bells fail to sing
Yours till the end of life's story
My love to you dear, I'll bring
Yours in the grey of December
Here, and on far distant shores
I'll never love any one the way I love you
You're my one, for I was born to be just yours.
