One day love
Came knocking on my door
But I was far away
I pretended that the sound
I heard was just another game
Then I looked around
And noticed pieces that were gone
You were right before me
And I couldn't see the bond

[Chorus:]

Oh, will you give me
Just one more chance
I want to try to understand
Just give me nothing
But one more chance
I want to make it all right
Oh, will you give me
Just one more chance
I want to try to understand
Just give me nothing
But one more chance
I want to make it all right
Day by day I think
I'll grow to change
Cause I can't stay the same
I wonder why it took
So long for me
To see the love
Was always in the way
You were right before me
And I didn't see you there
I thought all my feelings
Were just begging not to care

(Chorus)

I don't care
What tomorrow's gonna bring
I won't know
If it's emotion or a sin
All I need is

What I've kept alive within

(Chorus)
