I don't want to be
The only one
Who's loving you this way
I don't want to be the one
That makes you stay
There is nowhere in the world
I'd rather be
Then here with you tonight
Baby, there's just something
I've just got to say

I want you, you know I do
I need you to want me too
There's nothing I wouldn't do
To make you feel the way
I feel for you
Cuz I want you to want me
The way I want you

I don't wanna be the star
That fades across your sky
I don't wanna be the sun
If it don't shine
I only want to be
The one that makes your
Heart and soul
Feel like mine

I want you, you know I do
I need you to want me too
There's nothing
I wouldn't do
To make you feel the way
I feel for you
Cuz I want you to want me
The way I want you

I'm hoping, I'm praying
For the love we'll be making
Waiting for the day
That I will hear you say

Te quiero, lo sabes bien
Me muero por no saber
No duermo
Pensando que la vida entera
Alle sin tu quierir
Y quiero que sepas

I want you, you know I do
I need you to want me too
There's nothing
I wouldn't do
To make you feel the way
I feel for you
Cuz I want you to want me
The way I want you
