Deep red,
Face soaked in blood.
Black shining leather.
I fuck you up in sadistic intent.

Whore
I plunge into the wastelands of my heart
And left it there in ruins.
The sun shines once a lifetime.

I will leave you in the cold.
In the dead of the night,
Black leather and latex Queen,
A lush of the world.
The bitter taste of life,
And the coldness
of my heart.

Cunt
I plunge into the wastelands of my heart
And left it there in ruins.
The sun shines once a lifetime.
