"Cloak Of Midnight"

Visit "[Cloak Of Midnight](#)" on MotoLyrics.com

The trail I walk is haunted

By his blinding light

Somewhere

Down there

For eternities undefeated

Unwanted

Untouched

The evil incarnate

The cloak of midnight

Screams are strong

Around the oppressed

Like a blizzard

Like a whirlwind

Like the long lost divinity!

It falls heavy like a stone

I am what I am

Spill the blood one more time

The trail I walk is haunted

By his blinding light

Cloak of midnight
