It's good to see you baby it's been a long long while  
We're both a whole lot older and seen a lot of miles  
But things are different now since the good ol' days  
And you've been in some trouble  
Since we went our separate ways  
We'll have to say hello maybe some other time instead  
Cause you're wanted by the police  
And my wife thinks you're dead.

Somebody spread the rumor that you had lost your life  
'Least that's the way I heard it and what I told my wife  
Now here you're showing up again and talk is getting'  
round  
And I can see that one of us will have to leave this town  
If you think that I want trouble  
Than you're crazy in your head  
Cause you're wanted by the police  
And my wife thinks you're dead.

You never called or wrote me just up and disappeared  
Nobody knew what happened  
Where you been for all these years  
Now trouble's what you're lookin' like  
Cause trouble's where you been  
And I can see the kind of trouble you could get me in  
You better pay attention to every word I said  
Cause you're wanted by the police  
And my wife thinks you're dead.

So goodbye to you baby I'm glad we've got to talk  
But I'm faithful to my wife and I don't ever break the  
law  
I don't know where you're headed for  
But I know where you been  
We're reminisced now let's just go our separate ways  
again  
Go find another ex-sweetheart to hang around instead  
Because you're wanted by the police  
And my wife thinks you're dead.
