She got those eyes, those eyes that will see right
through you
When she leaves the night I want to leave with her too
And she's on my mind, like all, all the time
When we touch I go weak, and I can hhardly speak
And I hope that she's thinking about me cause I'm
always thinking of her(always thinkin of her)

I just wanna hold her hand, be her man
I wanna know if she'd take a chance
Cause I still have not revealed it,
Cause I still get the feelin
That lovin her is a game I'll always lose
I got the brown eyed blues

It's a shame I didn't meet her before
Cause now I want to see her more then I should
Whos to blame, when she's always on my mind
And I would see her all the time if I could
And I hope that she cares about me cause I know that I
care for her

I just wanna hold her hand, be her man

I wanna know if she'd take a chance
Cause I still have not revealed it,
Cause I still get the feelin
That lovin her is a game I'll always lose
I got the brown eyed blues

I don't want anybody else
She makes me take a good look at myself
She brings out the best in me
She doesn't think any less of me
When I do the wrong things
She loves m efor me and I can't explain

O be her man
I wanna know
Cause I still have not revealed it,
Cause I still get the feelin
That lovin her is a game I'll always lose

I got the brown eyed blues

I just wanna hold her hand, be her man
I wanna know if she'd take a chance
Cause I still have not revealed it,
Cause I still get the feelin
That lovin her is a game I'll always lose
I got the brown eyed blues
