Will you count me in?

I've been awake for a while now.
You've got me feeling like a child now.
'Cause every time I see your bubbly face,
I get the tingles in a silly place.

It starts in my toes,
And I crinkle my nose.
Wherever it goes I'll always know,
That you make me smile.
Please stay for a while now.
Just take your time,
Wherever you go.

The rain is falling on my window pane,
But we are hiding in a safer place.
Under covers staying safe and warm.
You give me feelings that I adore.

They start in my toes,
Makes me crinkle my nose.
Wherever it goes I'll always know,
That you make me smile.
Please stay for a while now.
Just take your time,
Wherever you go.
What am I gonna say...
When you make me feel this way...

I just... mmm
They start in my toes,
Makes me crinkle my nose.
Wherever it goes I always know,
That you make me smile.
Please stay for a while now,
Just take your time.
Wherever you go...

Da-Da-Dum-da-da-da-da-da.

I've been asleep for a while now.

You tucked me in just like a child now.
'Cause every time you hold me in your arms,
I'm comfortable enough to feel your warmth.

It starts in my soul,
And I lose all control.
When you kiss my nose,
The feeling shows.
'Cause you make me smile.
Baby just take your time now,
Holding me tight.

Wherever, wherever, wherever you go.
Wherever, wherever, wherever you go.
Wherever you go,
Always know,
'Cause you make me smile even just for a while.
