I sat outside my front window... this story's going
somewhere:

"He's well hung," and I am hanging up.
Well there's a song on the radio that says:
"Let's get this party started."
So let's get this party started.

What you do on your own time's just fine.
My imagination's much worse, I just never want to
know.
What meant the world had folded
Like legs and fingers holding onto what escapes me;
What he has: a better kiss that never lasts.

You said, between your smiles and regrets: "Don't say
it's over."
Dead and gone, dead and gone, yeah

Calm before the storm set it off, (set it off) and the sun
burnt out tonight.
A reception less than warm set it off, and the sun burnt
out to...

This is me standing in the arch of the door
Hating that look that's on your face
That says there's another fool like me.

There's one born every minute, there's one born every
minute.

What you do on your own time's just fine.
My imagination's much worse, I just never want to
know.
What meant the world imploded, inflated then
demoted all my oxygen
To product gas and suffocated my last chance.

You said, between your smiles and regrets: "Don't say
it's over."
Dead and gone, dead and gone, yeah, woah

Calm before the storm set it off, (set it off) and the sun

burnt out tonight.

A reception less than warm set it off, and the sun burnt
out to...

Calm before the storm, set it off, set it off, woah

Calm before the storm set it off, and the sun burnt out
tonight.

A reception less than warm set it off, and the sun burnt
out tonight, yeah...

Woah... yeah...

Sun burnt out tonight

The sun burnt out tonight
