Desperate for changing
Starving for truth
Closer to where I Started
Chasing after you

I'm falling even more in love with you
Letting go of all I've held on to
I'm standing here until you make me move
I'm hanging by a moment here with you

Forgetting all I'm lacking
Completely and complete
I'll take your invitation
You take all of me

Now... I'm falling even more in love with you
Letting go of all I've held onto
I'm standing here until you make me move
I'm hanging by a moment here with you

I'm livin for the only thing I know
I'm running and I'm crashing
Where to go?
And I don't know what I'm diving into
Just hanging by a moment here with you

There's nothing else to lose
Nothing else to find
There is nothing in the world that can change my mind
There is nothing else
There is nothing else...

Desperate for changing
Starving for truth
Closer to where I Started
Chasing after you

I'm falling even more in love with you
Letting go of all I've held onto
I'm standing here until you make me move
I'm hanging by a moment here with you

I'm livin for the only thing I know
I'm running and I'm crashing
Where to go?
And I don't know what I'm diving into
Just hanging by a moment here with you

Just hanging by a moment
Hanging by a moment...
Hanging by a moment...
Hanging by a moment here with you
