Take time to realize
That I am on your side
Didn't I, didn't I tell you
Take time to realize
That your warmth is
Crashing down on in

But I can't spell it out for you
No it's never gonna be that simple
No I can't spell it out for you

If you just realize
What I just realized
Then we'd be perfect for each other
And we'll never find another
Just realize
What I just realized
We'd never have to wonder
If we missed out on each other, now

Take time to realize
Oh oh, I'm on your side
Didn't I, didn't I tell you
Take time to realize
This all could pass you by
Didn't I tell you.
But I can't spell it out for you
No it's never gonna be that simple
No I can't spell it out for you

If you just realize
What I just realized
Then we'd be perfect for each other

And we'll never find another
Just realize
What I just realized
We'd never have to wonder
If we missed out on each other, but

It's not the same
No it's never the same

If you don't feel it too
If you meet me half way
If you would meet me half way
It could be the same for you

If you just realize
What I just realized
Then we'd be perfect for each other
And we'll never find another
Just realize
What I just realized
We'd never have to wonder

Just realize
What I just realized
If you just realize
What I just realized
Oh ooh ooh ooh ooh ooh ooh ooh

Missed out on each other now
Missed out on each other now-ow-ow-ow

Realize, realize, realize, realize, realize
Ohhh oh
Yeah, Yeah, eh...
